

USAG Poland Command Brief

*** The Army's Home on the Eastern Flank ***

COL Jorge M. Fonseca
U.S. Army Garrison Poland
13 JUNE 2023

Mission

In support of US Army Installation Command – Europe, US Army Garrison Poland executes base operations and installation support services at 11 Army Materiel Command (AMC) – managed Poland sites focused on improving Soldier and civilian quality of life and enhancing operational readiness of United States Army Europe – Africa (USAREUR-AF) and V Corps rotational units within the Republic of Poland.

Vision

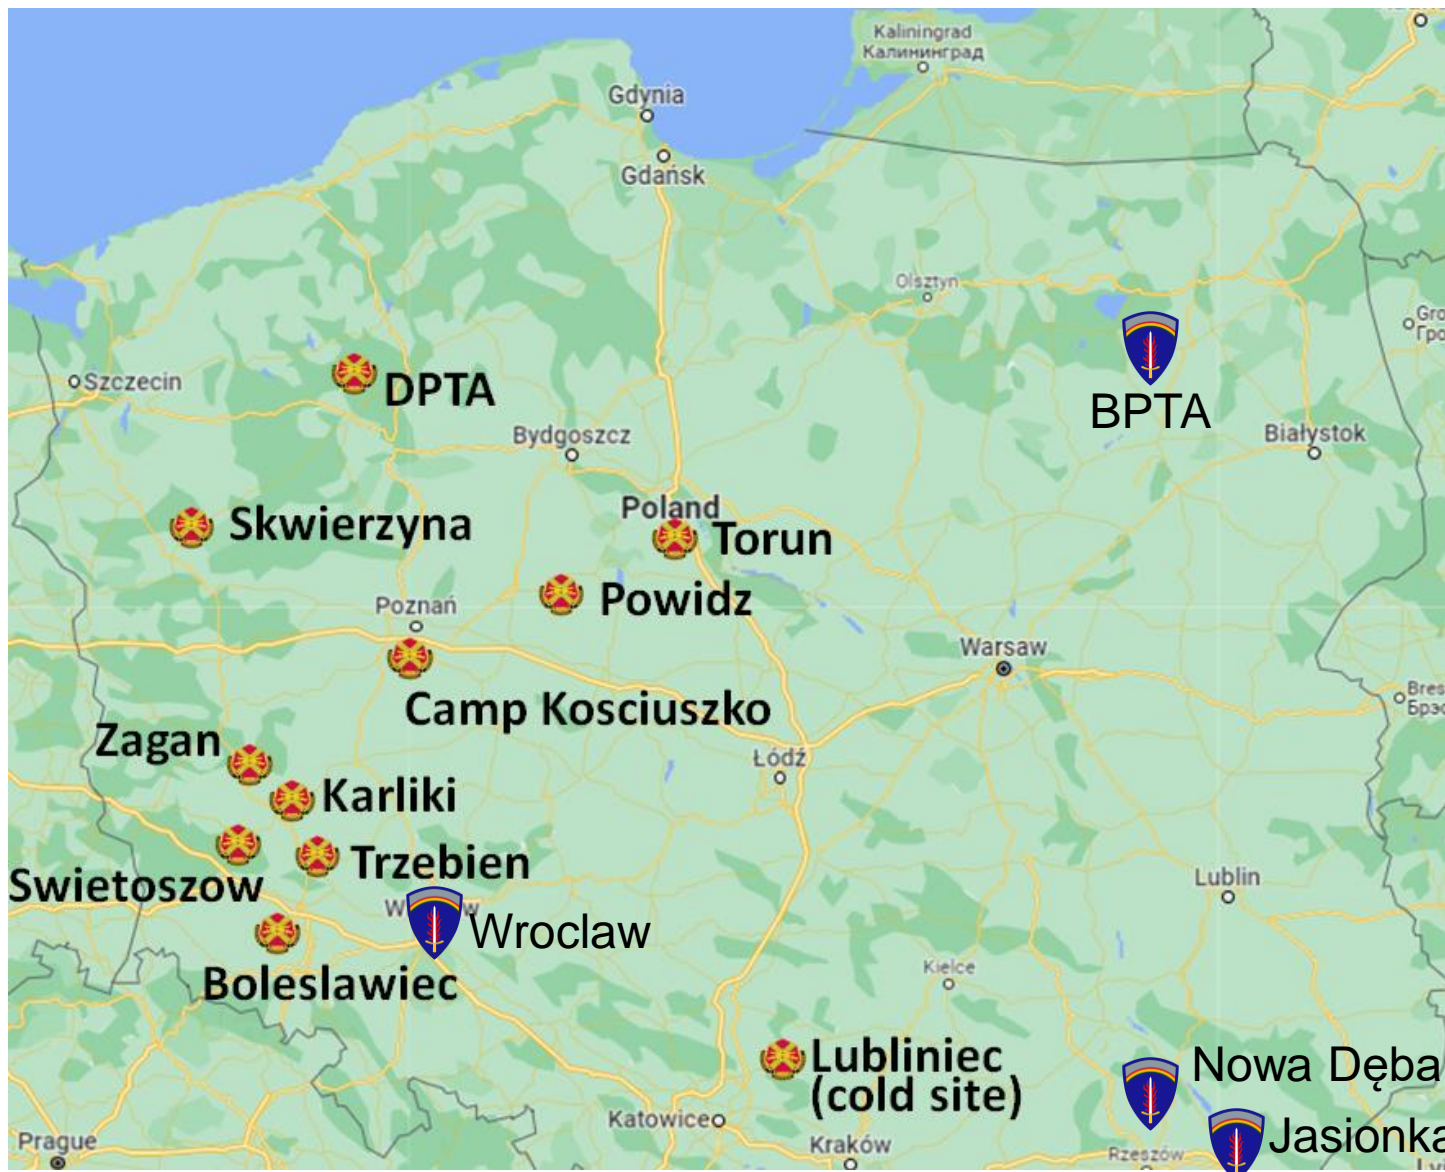

United States Army Garrison Poland is a synchronized team of professionals committed to delivering quality base support at all AMC-managed Poland sites, enabling the highest quality of life possible for our Soldiers and civilians.

HQDA/USAREUR-AF Directed Site Management

WE ARE THE ARMY'S HOME ON THE EASTERN FLANK

FY23 Command Priority Efforts

U.S. ARMY

Initial to Final Operational Capability (IOC to FOC)

Since officially being activated on 21 March 2023, USAG-Poland will work with Installation Management Command – Europe (IMCOM-E) and other mission partners, to grow the staff and increase its capabilities, while adhering to HQs, IMCOM processes and procedures.

Quality of Life

Leveraging the Enhanced Defense Cooperation Agreement (EDCA) Polish-Provided Infrastructure (PPI) and Polish-Provided Logistics Services (PPLS), USAG Poland sustains and improves Quality of Life at 11x AMC-Managed Sites in Poland.

Support to Mission Partners

Incorporating all management and planning processes and activities to ensure the Garrison infrastructure and services meet current and future power projection requirements for V Corps and down-trace units' Soldiers, Civilians and Families in Poland.
